EVENT PACK - proposed plan, approvals required
Generated: 2026-10-10T17:43:50.948955+08:00

EXECUTIVE SUMMARY
---
narrative: Proposed charity event for a student-selected charity (beneficiary unconfirmed);
  2027-03-20, Taylor’s Lakeside Campus. Plan for 100 attendees as an unconfirmed target.
  Ceiling RM2000.00; estimated spending RM2000.00, protected contingency RM240.00, unconfirmed
  funding gap RM600.00. Conditional plan?approvals required.
readiness: Conditional plan?approvals required
nextActions:
  [1]
    Confirm beneficiary, exam timetable and date with campus
  [2]
    Request written indoor venue, capacity and safety approval
  [3]
    Replace demo talent or confirm real MC and backup
  [4]
    Confirm organiser funds and obtain vendor quotes
  [5]
    Review source-verified sponsor drafts; send manually only after approval
  [6]
    Approve promotional wording and RSVP channel
  [7]
    Recheck weather and all dependencies at T-14, T-7 and T-1

GOAL AND ASSUMPTIONS
---
eventType: charity event
cause: a student-selected charity (beneficiary unconfirmed)
month: 3
year: 2027
budgetRM: 2000.0
location: Subang Jaya, Selangor, Malaysia

campus: Taylor’s Lakeside Campus
attendance: 100
prompt: I want to organize a charity event at my university in March with a budget of RM2k.
scenarioDate: 2026-10-10
charityPurpose: True
budgetCents: 200000
dateStart: 2027-03-01
dateEnd: 2027-03-31
organiserFundsRM: 1400.0
attendanceAssumed: True

EDITABLE ASSUMPTIONS
---
[1]
  field: cause
  value: a student-selected charity (beneficiary unconfirmed)
  reason: No beneficiary or cause was named; organiser must confirm before outreach.
  editable: True
  explicit: True
[2]
  field: year
  value: 2027
  reason: Month without year resolves to its next occurrence after the MYT planning date
    2026-10-10.
  editable: True
  explicit: True
[3]
  field: attendance
  value: 100
  reason: 100 attendees is a planning assumption, not a confirmed audience.
  editable: True
  explicit: True
[4]
  field: campus
  value: Taylor’s Lakeside Campus
  reason: Campus was not specified; confirm the campus before seeking permission.
  editable: True
  explicit: True
[5]
  field: location
  value: Subang Jaya, Selangor, Malaysia
  reason: Location was not specified; location affects weather and campus relevance.
  editable: True
  explicit: True
[6]
  field: organiserFundsRM
  value: 1400.0
  reason: Assume organiser covers 70% of the ceiling; the remaining 30% is an unconfirmed
    funding gap.
  editable: True
  explicit: True

contactType: dedicated sponsorship email
contactUrl: https://www.printcious.com/my/sponsorship-program
subject: EventPilot | Proposed charity event partnership ? 2027-03-20
body: Dear Printcious team, We are preparing a proposed charity event for a student-selected charity (beneficiary unconfirmed) at Taylor’s Lakeside Campus. Proposed date: 2027-03-20. Proposed venue: Lecture Theatres (approval and capacity unconfirmed). Our target is 100 attendees (planning assumption; not confirmed attendance). The proposed impact target is to direct net proceeds to the beneficiary after documented costs; the beneficiary, collection permission and amount raised are not yet confirmed. Would you consider a hypothetical contribution of up to RM120.00 toward our unconfirmed funding gap, without assuming that your programme offers cash? A researched, proposed in-kind discussion could be: 100 button badges or lanyards, or an approved merchandise-printing discount; quantities and acceptance to be negotiated. Published constraints to review: Complete proposal at least 30 days before event; Products or special sponsorship pricing subject to approval and terms; Shipping not included; Do not guarantee unapproved social-media deliverables. Alternative proposed tiers are Supporting: RM150.00, Partner: RM300.00, Lead supporter: RM600.00. These are alternatives, not combined commitments. Any acknowledgement, logo use or student reach requires approval; no reach, tax benefit or exclusivity is guaranteed. Please reply by 2027-02-13 if the proposal is relevant, or direct us to the appropriate partnerships channel. We will share approved beneficiary details and final venue confirmation before seeking a commitment. Event organising team Draft created by EventPilot; not sent.

  subject: EventPilot | Proposed charity event partnership ? 2027-03-20
  body: Dear VICTOR Sport Malaysia / Universal Sports Sdn. Bhd. team, We are preparing a proposed charity event for a student-selected charity (beneficiary unconfirmed) at Taylor’s Lakeside Campus. Proposed date: 2027-03-20. Proposed venue: Lecture Theatres (approval and capacity unconfirmed). Our target is 100 attendees (planning assumption; not confirmed attendance). The proposed impact target is to direct net proceeds to the beneficiary after documented costs; the beneficiary, collection permission and amount raised are not yet confirmed. Would you consider a hypothetical contribution of up to RM120.00 toward our unconfirmed funding gap, without assuming that your programme offers cash? A researched, proposed in-kind discussion could be: 2-3 small badminton-related prizes, shuttlecocks or accessory vouchers for a charity sports segment. Published constraints to review: Conditional sports fit, not a general charity cash sponsor; Event format is not yet confirmed. Alternative proposed tiers are Supporting: RM150.00, Partner: RM300.00, Lead supporter: RM600.00. These are alternatives, not combined commitments. Any acknowledgement, logo use or student reach requires approval; no reach, tax benefit or exclusivity is guaranteed. Please reply by 2027-02-13 if the proposal is relevant, or direct us to the appropriate partnerships channel. We will share approved beneficiary details and final venue confirmation before seeking a commitment. Event organising team Draft created by EventPilot; not sent.

  body: Dear Secret Recipe Malaysia team, We are preparing a proposed charity event for a student-selected charity (beneficiary unconfirmed) at Taylor’s Lakeside Campus. Proposed date: 2027-03-20. Proposed venue: Lecture Theatres (approval and capacity unconfirmed). Our target is 100 attendees (planning assumption; not confirmed attendance). The proposed impact target is to direct net proceeds to the beneficiary after documented costs; the

beneficiary, collection permission and amount raised are not yet confirmed. Would you consider a hypothetical contribution of up to RM120.00 toward our unconfirmed funding gap, without assuming that your programme offers cash? A researched, proposed in-kind discussion could be: A whole-cake voucher or 10-20 small dessert vouchers/volunteer snacks; no amount or approval assumed. Published constraints to review: Reconfirm routing because email verification is from mall directory; Do not claim established campus-charity sponsorship eligibility. Alternative proposed tiers are Supporting: RM150.00, Partner: RM300.00, Lead supporter: RM600.00. These are alternatives, not combined commitments. Any acknowledgement, logo use or student reach requires approval; no reach, tax benefit or exclusivity is guaranteed. Please reply by 2027-02-13 if the proposal is relevant, or direct us to the appropriate partnerships channel.   body: Dear Kantan Food Asia Sdn Bhd team, We are preparing a proposed charity event for a student-selected charity (beneficiary unconfirmed) at Taylor’s Lakeside Campus. Proposed date: 2027-03-20. Proposed venue: Lecture Theatres (approval and capacity unconfirmed). Our target is 100 attendees (planning assumption; not confirmed attendance). The proposed impact target is to direct net proceeds to the beneficiary after documented costs; the beneficiary, collection permission and amount raised are not yet confirmed. Please advise whether this belongs with your partnerships team; this published address is not a verified dedicated sponsorship route. Would you consider a hypothetical contribution of up to RM120.00 toward our unconfirmed funding gap, without assuming that your programme offers cash? A researched, proposed in-kind discussion could be: 10-20 cooking-paste sample packs or ingredients for an approved charity cooking/food booth; first ask for routing to partnerships. Published constraints to review: Not counted as verified dedicated partnership/CSR/marketing email; Published influencer criteria: at least 15K Instagram followers, average 500 likes, age 23 or older; these are influencer conditions, not proven campus-event eligibility. Alternative proposed tiers are Supporting: RM150.00, Partner: RM300.00, Lead supporter: RM600.00. These are alternatives, not combined commitments. Any acknowledgement, logo use or student reach requires approval; no reach, tax benefit or exclusivity is guaranteed. VALIDATION AND OUTSTANDING CONFIRMATIONS
---
status: Conditional plan?approvals required
passed: True
ready: False
errors:
warnings:
[1]
Campus examination timetable is unknown; no exam-clear claim is made.
[2]
Venue permission, usable capacity and exact room remain unconfirmed.
[3]
Real MC / performer availability and contracts are unconfirmed.
[4]
Beneficiary and donation collection permission require written confirmation.
[5]
Budget amounts are estimated allocations, not vendor quotes.
[6]
Organiser funding is an assumption unless confirmed separately; sponsor asks are hypothetical.
[7]
No outreach was sent; review all drafts before using verified contacts.
[8]
Some sponsor drafts have no verified email; use the cited official contact route, not a guessed address.
[9]
Sponsor asks and fit rankings are proposals, not commitments. Source research is dated 2026-10-10; company contacts should be rechecked before sending.
checks:
[1]
name: Budget ceiling and integer-cent arithmetic
passed: True
detail: Every estimated allocation must reconcile in integer cents within the ceiling.
[2]

    name: Contingency at least 10%
    passed: True
    detail: At least 10% of planned spending must be a protected reserve.
  [3]
    name: Funding gap arithmetic
    passed: True
    detail: Gap uses organiser funds only; prospect asks are not committed revenue.
  [4]
    name: Eligible proposed date
    passed: True
    detail: Proposed date must be a weekend in range without a known cited clash.
